Facilities

We principally based in Houston, Texas. Our office is fully computerized and networked. For accuracy and efficiency, we utilize computer software for accounting, billing, and case management. Legal research is accomplished primarily through Westlaw and Lexis Nexis, while document preparation is complimented by Pro Doc and various treatises and other legal manuals.

Leadership and Community Outreach

In 2009, we launched the Texas Legal Apprenticeship Program (TLAP), a nonprofit, organized for the purpose of improving the quality of young attorneys by affording them the opportunity to work with more seasoned attorneys in arenas frequently closed off to the inexperienced. One of the goals of TLAP is to become a mandatory fellowship for graduating third-year law students. Our attorneys volunteer their time in several community outreach programs and also provide legal pro bono legal services.
